Cadmium Action Memo 03 14 16.docx

Kathryn, there are two memos attached. One of them is the pre-publication memo that I have sent to you in other emails, I need this one asap. The other is the memo that will accompany the FRN in the blue folder. They are very similar. Please look at the anticipated reaction section in the regular memo. Do you think we should discuss changes from the draft to final in the FRN?
